OVER 70% PROFIT

7 GREAT REASONS TO SUPPORT OUR FUNDRAISING INITIATIVE

1. Organise all your families activities- birthday parties, sports, family activities, note visitors arrivals, appointments, holidays, recycling nights and even your own dinner dates.
2. Great gift idea for Christmas or as a last minute stocking stuffer for friends and family.
3. Designed in Australia. Australian owned.
4. Healthy alternative to other fundraising ideas. No sugar or preservatives added!
5. 12 easy ways to be an earth friendly family.
6. Cheaper than most retail planners, most sell for \$19.99 or more.
7. Don't forget all the profit goes back to our school/organisation/centre.

Recycle
Recycling 1 tonne of paper saves at least 7 trees, 2 barrels of oil, 4100 kilowatts of electricity and 2.4 cubic metres of landfill space. Not bad, eh! Make it a habit to buy products that have less packaging, and recycle paper and containers. If you can't find a recycling bin, take your rubbish with you and then lobby the council for more bins.

12 great ways to be earth friendly

"We built a house for a family in Cambodia... apart from the fact that the calendar is priceless for organising my family, what an easy way to raise funds for a great cause"

Kathy, Central Coast Grammar, NSW.

"What a great product... you made it so easy to fundraise, many mothers have already asked if I will be doing the calendars again next year, looks like it will be bigger and even easier still, thank you"

G. McCauley, Cameron Park, NSW

"I raised funds for a MS Challenge Event... and found this a simple and successful fundraising activity"

*O. Merrick,
Fundraiser for MS Australia, ACT/NSW/VIC*
